COMMON ORAL JUDGEMENT

1. The present 4 applications are filed by 4 applicants claiming that the goods consisting of 28 bales of cotton, 110 loose takkas (thans) of grey cotton consisting of 9322.6 mts. lying in the godown between the excise gate and the main gate of the estate of Amruta Mills Ltd. are of their ownership and they be permitted to remove them and take them in their custody.

2. The claim of the present applicant is disputed by the secured creditors as well as Official Liquidator. It is the claim of the Official Liquidator that in the statement supplied by the Ex-Director of the said liquidated company, he had not mentioned that there were any goods of any third party in possession and custody of the said Mill. Therefore, in the circumstances, it is not possible for this court to enter into the disputed facts of title, and, therefore, I would direct the petitioner in this petition to go before the regular civil court in order to get their title proved to these goods. However, in the interest of justice I would direct the Official Liquidator to sale the goods in question namely 14 bales- subject matter of Company Application No.211/96, 4 bales- subject matter of Company Application No. 212/96, 28 bales-subject matter of Company Application No.213/96 and 110 loose takkas (thans) of grey cotton consisting of 9322.6 meters which are lying in the godown between the excise gate and main gate of Amruta Mills Ltd. to be put up for auction sale in separate lots and the sale proceeds of these goods should be kept in separate account and the said sale proceeds should not be distributed without the specific permission of this court. The petitioners will have to file their suits in the Regular Civil Court within 3 months from today and they should obtain the necessary orders from the said court regarding the title to the said goods within 1 year from the date of filing of the suit. I, therefore, dispose of all these 4 petitions as ordered above with no orders as to costs.
